CAMP DIRECTORS

Rich Posipanko
Camp Director

Rich Posipanko is completing his 21st year at Winthrop and 31st season for his career in 2009. For the past twenty-one seasons, the Eagles have averaged over 10 wins per season in the toughest region in the Nation. The Eagles were 15-7-1 in 2002 that led to a regular season and tournament Big South championship and NCAA College Cup South Region appearance. In 2005, the Eagles finished 12-8-1 and

finished as the Big South Runner-Up for the third time under Posipanko and fifth time overall. In 2006 the Eagles once again claimed the Big South regular season and tournament championship and advanced to the NCAA College Cup South Atlantic Regional with a 15-3-4 record. In 2008 the Eagles were again Big South Regular Season and tournament champions with a record of 15-6-1. Posipanko was also selected Big South Coach of the Year for the third time and led his team back to the NCAA College Cup in 2008. Once again in 2009 they were Big South Conference Champions and made their way back to the NCAA College Cup and finished with a 11-6-4 record.

The 1991, 2006 & 2008 Big South Conference Coach of the Year has compiled a career record of 333-219-50 and has a Winthrop mark of 216-170-30. Posipanko is currently in the top 10 among NCAA Division I active coaches in total victories. He is also ranked 23th on the All-Time list for victories. In 2002 he became the winningest coach in Winthrop history with 134 wins. Posipanko is also the winningest coach in history at Longwood University with 117 wins. He is also the All-Time winningest coach in Big South Conference history with both 216 total victories and 73 Conference wins. During the 2007 season Posipanko reached the 300 career win mark and joined an elite group of only 52 coaches in NCAA history (all divisions) and 25 coaches at the Div. I level to reach this plateau.

Before coming to Winthrop, Posipanko spent 10 successful years as head coach of Longwood University in Virginia where he compiled a record of 117-49-20. During his last seven years at "The Wood", Posipanko guided his squads to the NCAA Division II top 20 each season and also developed seven All-Americans. While at Longwood, Posipanko was honored three times — 1982, 1984, and 1986 — as the Virginia Coach of the Year and in 1982 and 1984 he was tabbed Mid-Atlantic Coach of the Year. In addition to his college coaching experience, Posipanko coached professionally serving as assistant coach of the Houston Dynamos in the United States Soccer League in 1985.

During his 31 years of collegiate coaching he's had 137 All-Conference players, 56 All-Region selections, 14 All-Americans, three Olympic team players, two Freshmen of the Year, three Player of the Year, and 25 Academic All-Americans, and six national team members.

Daniel Ridenhour
Assistant Camp Director

Daniel is completing his sixth season as assistant coach at Winthrop. He came to Winthrop after spending the past three seasons at Georgia State as an assistant coach. While at Georgia State he worked as an assistant

coach for the Georgia Boys Olympic Development Program. His 87 Georgia ODP State team won the 2004 ODP Region Championship and went to Nationals in 2004. In addition he was a staff coach for the Forsyth Fusion Club as he trained teams and also provided assistance to club coaches. In 2004 he completed his Master of Science in Sport Administration at Georgia State.

He is also a staff coach for the South Carolina ODP.

Before he spent three years in the Atlanta, GA area, Ridenhour was a staff coach and U-14 coordinator for Chesapeake Soccer Club for two seasons and a staff coach for the U-16 and technical coach for Beach FC for two seasons as well.

Ridenhour was a consistent player at Old Dominion University. He was a four-year letterman and a team captain in 2000. He also played for the U.S. Youth Soccer Region III team. He was a team member for three seasons and was a pool member for five. He graduated from ODU in December of 2000 with a Bachelor of Science with an emphasis in Sport Management and a minor in Business Management.

Weather Policy

We have only had to cancel a portion of camp once over the past 21 years due to weather conditions. Our Sports Medicine Staff uses a lightning strike meter along with real time radar updates. When in question, we will always rule on the side of caution. We will use Fridays of each week for any make-up time that may be missed.
